Terms and Conditions for Entries

1. Scope of Eligible Exhibits

Large, medium, small, and light trucks, trailers, specially equipped vehicles, special-purpose vehicles, maintenance vehicles and other commercial vehicles, devices, parts, accessories, materials, distribution devices, communication devices, computers and other OA equipment, related software, books and maintenance devices related to the above vehicles, and used cars. Products approved by the Secretariat as suitable for the purpose of the Show may also be included.

2. Protection of Exhibits

The Exhibitors will be responsible for the protection of Exhibits. The Secretariat shall not be held responsible for compensations of any kind for loss or damage of Exhibits due to natural disasters, other force majeure or accidents or other happenings in the venue. Also, the Director of the Secretariat may restrict or request the Exhibitors to change or suspend installation, removal, construction or demonstration works if the Director decides such works to be dangerous in the light of the accident prevention principle. Please also note that the Exhibitors will be solely responsible for any and all liabilities, including payment of damages, for any accidents arising from, or incidental to, the display of, or any related actions taken on, their respective Exhibits.

3. Height and Weight Limitations

Due to the structural limitations of the venue, the Exhibits must in principle be within the height of 6m from the floor. Also, each Entry must be within the weight of 45t per unit and 5t per square meter. The Show shall otherwise comply with the terms and conditions of Pacifico Yokohama Exhibition Hall Users' Manual.

4. Installation and Removal

The size of service entrances of the venue is: W5.0m x H4.5m (13 entrances in total for Indoor Exhibition Halls A - D). Large Exhibits difficult to carry in through service entrances must be exhibited at the outdoor venue.

5. Display of Vehicles

During the exhibition, the vehicles are not allowed to have their engines started. Also, it is prohibited under the High Pressure Gas Safety Act to bring in propane gas, etc. to the venue. Natural gas vehicles, LPG vehicles, and fuel cell vehicles must in principle be displayed at the outdoor venue. Please contact the Secretariat if you are planning to exhibit such vehicles.

6. Continuous Presence of Exhibitors and Night-time Security

Throughout the show, staffs of the Exhibitors must be present at the Exhibitors' booths to look after the Exhibits at their own responsibilities. General night-time security after the installation of Exhibits and during the Show will be ensured by a security company outsourced by the Secretariat. The night-time security hours are from 6pm till 10am of the following day.

7. Indemnity and Damages

Throughout the period of the Show, including the preparation and removal before and after the event, the Secretariat shall hold no liability for any damages even if the Exhibits or other items are lost or damaged for some reasons. Each Exhibitor is asked to make sure that the space allotted to the Exhibitor is fully secured with damage insurance, etc. at their own responsibility. Also, each Exhibitor and/or their related personnel shall be held responsible for all damage and/or loss of the building, attached facilities, equipment, etc. of the venue they have caused.

8. Compliance to Terms and Amendments

Each Exhibitor and their related personnel shall be responsible for the full observation of terms and conditions provided by the Secretariat and cooperation for the smooth running of the Show. If an inevitable circumstance manifests, the Secretariat may amend the said terms and conditions at its own discretion.

9. Responsibilities over Remaining Items

If an Exhibitor leaves remaining materials or rubbishes generated in the space allotted to the said Exhibitor or corridors, etc. at the time of installation, removal, or during the show, the Secretariat shall charge a fee equivalent to the cost required for the disposal of such remaining items.

10. Cancellation of Entry

Cancellation of entry after the application deadline (31st December 2017) will accrue the cancellation fee as follows.

(1) Cancellation by 90 days (9th February 2018) before the opening of the Show (10th May 2018): 50% of the Entry Fee

(2) Cancellation after 90 days (9th February 2018) before the opening of the Show (10th May 2018): 100% of the Entry Fee

If you intend to cancel the entry or reduce the size of the allotted space, please notify the Secretariat in writing. In this case, the Secretariat will refund the payment already made.

11. Payment Deadline and Other Expenses

The Secretariat will issue the invoice for the Entry Fee upon receiving the application form and completing the confirmation process. Please make the payment by the payment deadline shown on the invoice to the designated bank account. The deadline shall in principle be the end of the month following the issuance date of the invoice. The cost for electric work to construct main lines (cost for the construction of primary-side main line, including the electricity cost), anchor bolt embedment cost, etc. will be calculated after the closure of the show and charged to each Exhibitor by 30th June 2018. Please make the payment promptly upon the receipt of the invoice.
